Non-Resident Player
School Verification Form

Dear Youth Football Parents,

The Wisconsin All-American Youth Football League has adopted verification rules for students who do not reside within the school district boundaries of the team they play for. Each organization must provide evidence verifying the school of attendance for all "out-of-district" players on their roster.

Due to privacy concerns the organization is not allowed to solicit this information from the school district. You, as the parent or guardian, must get this information from the school district.

Please take this letter to the school that your player attends and have the portion below signed and dated by a school administrator. This letter must then be returned to your teams administrator at the time of equipment issue. No player residing outside the boundaries of your teams district will be issued equipment unless this form is signed and returned to the team administrator.
